MRS. H. A. BERNARD, Editor.

SEABREEZE, July 28—An election for mayor is called for August 17. In the meantime R. M. Mallory is acting mayor. As yet no candidates are announced.

Prof. and Mrs. H. E. Wakefield, who are looking after their grove at Pomona during the summer, report a pleasant season but will be glad when the time comes to return to their Seabreeze home.

Miss Helen Burghman, who has spent most of the summer as guest of Miss Marion Hatch, of Cheshire, Mass., but has recently been on a visit to Miss Winifred Pierre, at Newark, N. Y., expects to leave the latter place for home this week. She will probably stop off at Washington, D. C., for a brief visit with Mrs. C. A. Ballough and family.

A card from Mrs. Geo. W. Buckner, dated at Indianapolis, where she and Mr. Buckner are spending the summer, reports the season unusually cool and rainy. She says Mr. Buckner would much prefer his beach cottage and the fishing to anything he has in the city, and they will be glad to return home when their visit is over.

Mrs. Harry G. Wilson and family arrived from Sanford Monday and are comfortably located in the Miami beach cottage.

F. R. Swift has purchased the A. I. Miller cottage, corner Grandview and Jessamine avenues, from Miss Minnie Kelley. This is one of the prettiest bungalows in Seabreeze, and is understood to be a good price. J. C. Butler made the sale.

The season this year is the best yet in the history of Seabreeze and Daytona Beach. It comes from a reliable source that the beach cottages are all taken for August, and that the two big leading hotels have all their rooms engaged.

There are big crowds at the beach every Sunday from our neighboring towns, including DeLand and Orlando, and the people of Sanford clamoring for a more direct route to the beach so that they may join in the procession, for a Sunday beach outing. Sanford is well represented among our summer cottagers, as well as Orlando, Ocala and DeLand.

Cards were received last week announcing the marriage of Rainsford French to Miss Dolores Holmes Harding, both of Washington, D. C. While not entirely unexpected this was nevertheless a pleasing item to the many friends of Miss Harding, who grew from childhood to beautiful womanhood in our midst, and her friends, through the Gazette-News extend to Mr. and Mrs. French best wishes for prosperity and a well rounded life. The bride is the only daughter of Mrs. C. A. Ballough, and an altogether lovable a charming young lady. Mr. French belongs to one of the substantial families of Washington, and met Miss Harding on a visit here three years ago.

The friends of Mrs. H. L. Kochersperger are glad to note that she has recovered from a painfully sprained ankle, which was caused by a fall on a stairway several weeks ago.

Mr. and Mrs. Bert Herndon and little daughter came over from Sanford Monday in his motor car and are located in Seabreeze for the week.

Mrs. Wm. Martin and the Misses Fuller came in from Ocala Monday, and are occupying the Navajo.

Howard Williams came down from Jacksonville last Saturday, for a short vacation with his relatives.

The rumor last week that Dr. Potter had leased the Colonades was contradicted by Mr. Gray in answer to a letter from Jerome Wetherly, who is in charge of the property.

Mr. Haigh and family, Howard Williams and Harry Hartshorn and family started for DeLeon Springs yesterday in Mr. Haigh's auto. They got as far as DeLand when they were caught in a rain storm and spent the afternoon in a garage.

*Automobile tires and inner tubes vulcanized at Oliver's garage

Miss Amelia Mitchell, of Jacksonville, is spending a few weeks at the Seaside Inn. She spent part of last summer at this popular hostelry.

The following Monday arrivals at the Seaside Inn are noted: C. Gates, Ocala; Mrs. M. N. Doyle, Miss May Doyle, Mrs. J. E. Pace, Sanford; Mr. Horn and son, Ocala. Mr. Horn's wife and the balance of the family will join him here this week.

Mrs. W. R. Stephens chaperoned the following house party from DeLand, who are having a three weeks' outing at the Daytona Beach Hotel: The Misses Hough, Rachel Hough, Hazel Hough, Eva Nahn, Marie Russell Stephens and P. A. Hough.

Attorney Otis T. Green and family, of Ocala, are at the Daytona Beach Hotel for the rest of the season. Mr. Green went to Ocala Monday morning to attend court.

The Daytona Beach Hotel was full to overflowing Saturday and Sunday. L. R. Chaffee, Natural Bridge, N. Y.; B. R. Holmes, Harrison, N. Y.; Archer B. Russell, Eustis; Mrs. Wright, two daughters and son, are recent arrivals at the Surf Crest.

Mr. Chamberlain and party from the Surf Crest chartered the "Wide-awake," Capt. Holland in charge, and had a successful day's fishing at the Inlet Saturday. They brought home thirteen variety of fish and had them served for a fish breakfast.

Mr. and Mrs. Niles, prominent Mis-sourians who have spent the winter at Dupont, are here for the summer and are comfortably located in Mrs. E. H. Rogers' cottage on Grandview avenue.

Mr. and Mrs. Niles are so favorably impressed with our beach towns that they may invest in property here.

Mr. and Mrs. Trowell, of Umatilla, arrived this week and are located at Surf Crest.

Mrs. Leonard Arnett, came over from Orlando the latter part of the week and have taken rooms at Ocean Spray.

John Crown and family are enjoying the beach. They are located on Seabreeze avenue.

The M. E. Church has an unusually well organized choir, and with Miss Yelvington as organ leader, are giving excellent music.

E. A. Branch, who has been quite ill for the past ten days and is still confined to his bed, is rallying nicely and expects to be around within a week's time.

O. A. Talley, traveling salesman, came from Bartow Saturday night and spent Sunday with his family on Seabreeze avenue.

Mr. and Mrs. Pollard are enjoying beach life at the Shaffner Bide-a-wee cottage, and have decided to remain through October.

Mrs. Pauley, who has been with Miss Kelley at the Elmira cottage, was called to New York State on business last week, but expects to return just as soon as she can adjust her business affairs.

The outside work of the M. E. Church extension is about completed, and the building presents a well proportioned appearance. This extension, which is much needed during the winter season, will be appreciated by the returning winter residents as well as the tourists.

Dr. W. F. Robinson, formerly of New York, who is located at the Seaside Inn for the season, has written a very readable pamphlet on "Long Life and Hot Climates." He deals with the question from the standpoint of experience, having lost his health in the north and regained it in the balmy climate of Florida. Dr. Robinson says this locality presents ideal climatic conditions for all year round living.

Daytona Hospital Items.

Henry Strother, who recently underwent an operation, returned to his home at Daytona Beach Tuesday morning.

Simmiel Dulyr, who has been in the hospital for the past two weeks, is rapidly convalescing.

Wilson McDonald, of Port Orange, who has been seriously sick, will be able to return to his home in a few days.

The infant son of W. A. Wilkinson, of New Smyrna, is under treatment at the hospital.

Mrs. George Pitzer, of New Smyrna, is confined to the hospital.

Mrs. J. R. Davis, of Ormond, entered the hospital Wednesday evening.

Engines in Place.

The receiving tank at the water-works has been completed and the engines have been placed in position during the past week, while the first car load of material for the water tower was received Wednesday and the other car was expected to follow it without delay. The representatives here for J. B. McCrary Co., certainly deserve credit for the expeditious manner in which they have handled the work, never letting it lag at any time.

To Organize W. O. W. in Daytona

A. W. Shattuck, of New Smyrna, was in the city the forepart of the week making arrangements to re-organize later and take up the re-organization in Daytona of the fraternal order of the Woodmen of the World. The local organization, which has been in existence for some years, has a membership of perhaps fifteen which Organizer Shattuck thinks can be considerably increased and a lodge instituted. The W. O. W. is one of the strongest fraternal insurance societies in the country and there are many vigorous lodges in the State. DeLand for a number of years has supported a strong lodge and at New Smyrna there is said to be a membership of between fifty and sixty.

Orlando Wins First Game.

The ball game Thursday was delayed by the rain and as a consequence but seven innings could be played before dark. Percy Rogers pitched one of the best games for Daytona ever witnessed on the grounds, but Orlando won by a score of 2 to 1. James Wyndham tossed for Orlando. Daytona made three hits to Orlando's two.

There was much justifiable complaint from the grand stand against the decisions, but, as Manager Nash says, this must be expected so long as Daytonians will not come forward and serve as umpires, and this important position must be filled by outsiders. The second game is in progress as we go to press.

By Auto to Leesburg.

Mr. and Mrs. W. H. Wright in their Ford and Clarence Bennett with his car, accompanied by Mr. and Mrs. Leon Despland and Miss M. Ella DeVoy, visited a number of interior points this week, leaving here Tuesday morning and returning Thursday evening with the exception of Mr. Despland, who returned by train. Miss DeVoy and Mr. and Mrs. Despland stopped at Mt. Dora, but Mr. Bennett and Mr. and Mrs. Wright continued to Leesburg, stopping over at Eustis. They visited at DeLand, Orange City, Enterprise and other places and at Eustis picked up H. G. Whitsett, engineer of the new road between Crows Bluff and Eustis, and brought him to DeLand. They were the first autos over this new road on which they encountered considerable water, owing to heavy rain.

Commodore J. H. Allen was in the city yesterday from Allenhurst.

NO REASON FOR IT.

When Daytona Citizens Show the Certain Way out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyances of urinary disorders, the dangers of diabetes, of any kidney ail, when relief is so near at hand and the most positive proof given that they can be cured. Read what a Daytona citizen says:

Mrs. C. H. Pellicier, Volusia Ave., Daytona, Fla., says: "I have been greatly benefited by Doan's Kidney Pills and do not hesitate to say so publicly. I had dull backache, pains across my loins, could not rest at night, and mornings would get up all worn out with but little strength. To say that I was miserable, feebly expresses my condition, in fact, I was so bad at times that I could hardly get around to attend to my household duties. A neighbor, who had used Doan's Kidney Pills for like troubles, recommended them to me and I procured a box at Hankins' drug store. I used this and the contents of another box and I am certain that they benefited me more than anything else I had ever tried. My strength and energy returned, the backache ceased and the kidney secretions were once more restored to a natural condition. You are welcome to the use of this statement, as it may be the means of bringing relief to some other sufferer of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

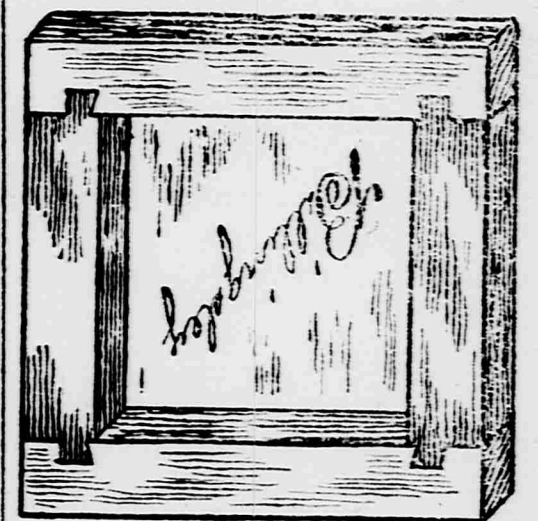

John Pollitz is assisting J. W. Fulgham on North Beach street, having drifted back to the location in which he began his business career in Daytona in February 1888, being in the employ of Messrs. Count & Aitken, in this same building then newly constructed.

Word has been received at this place of the death of Mrs. Mary Beach, mother of Chas. and Geo. H. Beach, which occurred at the Catskill Mountain House in New York, of which her two sons are proprietors, Thursday of last week. Mrs. Beach was upwards of ninety years old. Her sons, Chas. and Geo. H., are both winter residents of Daytona and Daytona Beach.
